Aloysius Hasheem A. Sendad

Aiming to work for an organization which provides me the opportunity to improve my skills and knowledge, particularly on data science or software development

Education

Bachelor of Science in Computer Science

Xavier University Ateneo de Cagayan

Present - 2024

- Conducting thesis research on: "AI-Driven Academic Path Guidance: A Neural Web Semantics Approach on a Course Recommender System"

Work Experience

Associate Intern

Wilshire Financial Network

2023

- Demonstrated proficiency in remote work, utilizing digital tools and online collaboration platforms to ensure optimal productivity.
- Helped with enhancing data entry processes, which improved team productivity and efficiency.

Projects

Exercise Projects

github.com/pn-tn/CodingExercises

- A collection of small coding projects I've completed that served as practice for learning concepts.
- Projects include: machine learning, multithreading, simulation, and process management
